New England Anesthesia Residents Conference

# NEARC Registration

Baystate's Department of Anesthesiology is pleased to announce its hosting of the New England Anesthesia Residents Conference on April 5, 2014 at Baystate Medical Center, Springfield, MA.

Details can be found via the NEARC link on the Massachusetts Society of Anesthesiologists homepage, and here are some key points:

- 1) You can now submit your abstract, poster, or case report by following the online instructions; deadline for submission is March 10th. The winner of each category, clinical and basic sciences, will receive a scholarship award from IARS for attendance to the upcoming conference in Montreal! This includes free lodging and a \$500.00 stipend!
- 2) This conference is specifically designed for residents and is packed with engaging events such as anesthesia jeopardy, hands-on workshops, and a keynote speaker who will be discussing the evolving role of critical care medicine in today's anesthesia practice and job market.
