

April 12, 2008

New England Anesthesia Resident's Conference

Agenda

- 8:00 Registration and Continental Breakfast
- 8:45 Welcome and Introduction
D. David Glass, MD; Kathleen Chaimberg, MD
- 9:00 How to Start a Research Project
Randy Loftus, MD
- 9:45 In the Midst of a Research Project
Matthew Koff, MD, MS
- 10:30 Moderated Poster Viewing/Abstract Presentations & Refreshment Break
- 11:15 Publishing: Pitfalls and Successes
Randy Loftus, MD
- 12:00 Lunch is Provided
- 13:00 How to Perform Regional Anesthesia with Ultrasound
Michelle Parra, MD
- 13:30 Skills Stations: Upper Extremity, Femoral and Popliteal-
Michelle Parra, MD; John Antonakakis, MD; Brian Spence, MD
- 14:00 Moderated Poster Viewing/Abstract Presentations & Refreshment Break
- 14:30 Career Issues Panel Discussion to include: Private Practice Versus Academics, Pros and Cons of Fellowships, Contract Negotiations -
Corey Burchman, MD and other faculty
- 17:00 Adjournment
- 18:00 Reception at the Hanover Inn

Jay Kher, MD, MBA

Resident - Tufts Medical Center, Boston, MA

Lumbar Psoriasis - Consideration For Regional Anesthesia For C-Section

(case report, OB)

Kevin Cummisford, MD

Resident - Tufts Medical Center, Boston, MA

Research During Residency - The Resident's Point Of View

(survey)

Michael Sutherland, MD

Resident - Fletcher Allen Health Care, Burlington, VT

Minimum Current Requirements For Nerve Stimulation Guidance Of Epidural & Spinal Catheter Anesthesia

(prospective study, regional)

Arti Ori, MD

Resident - Brigham & Women's Hospital, Boston, MA

ASRA Guidelines For Epidural Analgesia In Patients Receiving LMWH Are Unreliable In Pregnant Patients

(observational study, OB)

Kristen Redborg, MD

Resident - Dartmouth-Hitchcock Medical Center, Lebanon, NH

Ultrasound Guided Sural Nerve Block: Comparison To Traditional Landmark Techniques

(observational study, regional)

J. Timothy Warning, MD

Resident - Fletcher Allen Health Care, Burlington, VT

Anesthetic Management Of A Twin Parturient Undergoing Arterial Thrombectomy & Subsequent Mitral Valve Replacement

(case report, OB)

Yukako Suzuki, MD

Resident - Fletcher Allen Health Care, Burlington, VT

Hypertrophic Cardiomyopathy In A Pregnant Woman

(case report, OB)

YEE

Carboxyhemoglobin Is Elevated In Children Exposed To Tobacco Smoke: An Interim Analysis (observational study, peds)

Nathan Jones

Medical Student – University of Massachusetts Medical School, Worcester, MA

Pancreatitis Associated With Strongyloides Stercoridis Infection In A Patient Chronically Treated With Steroids

(case report, ICU)

Randy Loftus, MD

Resident - Dartmouth-Hitchcock Medical Center, Lebanon, NH

Intraoperative Ketamine Infusion In Patients With Chronic Pain Undergoing Painful Surgery

(prospective study)

Randy Loftus, MD

Resident - Dartmouth-Hitchcock Medical Center, Lebanon, NH

Reduction In Postoperative Nosocomial Infections Through The Use Of A Novel Device In The Operating Room

(prospective study)

Benjamin Morley, MD

Resident - Dartmouth-Hitchcock Medical Center, Lebanon, NH

Novel Spinal Cannula For Labor Analgesia

(case series)

Kate Richard, MD

Medical Student – Dartmouth Medical School, Hanover, NH

Decreased Incidence Of Cardiac Arrest Despite Failure To Detect Early Signs Of Deterioration After

Poster

W. Travis Lau, MD

Resident - Tufts Medical Center, Boston, MA

Severe Aortic Stenosis And Elective Abdominal Surgery: An Ethical Dilemma
(case report)

Alya Ali, MD

Resident - Tufts Medical Center, Boston, MA

PRES – An Unusual Presentation And Challenge During High Risk Pregnancy
(case report, OB)

Ulrike Berth, MD

Resident – University of Massachusetts Medical School, Worcester, MA

Morbidly Obese Patient With Cervical Spine Ankylosing Spondylitis Presenting With Acute Spinal Shock & Complex Airway Management
(case report, airway)

Matt Koff, MD

Resident - Dartmouth-Hitchcock Medical Center, Lebanon, NH

Microbial Contamination In The Anesthesia Workspace; Are We As Clean As We Think?
(prospective study)

Faraz Syed, MD

Resident - University of Massachusetts Medical School, Worcester, MA

Cervical Epidural Blood Patch After Cervical Fusion And CSF Leak
(case report)

Rebecca Drinkaus, MD

Resident - Dartmouth-Hitchcock Medical Center, Lebanon, NH

Anesthetic Considerations In A Pediatric Patient With Neurofibromatosis Type I Undergoing Resection Of A Retroperitoneal Mass
(case report, peds)

Chad Anderson, MD

Resident - Tufts Medical Center, Boston, MA

The Influence Of Primary Diagnosis On MELD Score And Critical Outcomes Following Liver Transplantation
(retrospective chart review)

Antonio Aponte, MD

Resident - University of Massachusetts Medical School, Worcester, MA

Hypernatremia And Polyuria In A Patient With History Of Psychosis
(case report)

Jocelyn Park, MD

Resident - Dartmouth-Hitchcock Medical Center, Lebanon, NH

Ultrasound Evaluation Of Accuracy Of Needle Placement For Caudal Injections In Children
(prospective study, regional)

Samir Patel, MD

Resident – Tufts Medical Center, Boston, MA

Successful Lumbar Epidural In Patient With History Of Thoracolumbar Surgery
(case report, OB)

Jessica Bland, MD, MSPT

Resident - Fletcher Allen Heath Care, Burlington, VT

Rhabdomyolysis After Ablation Under General Anesthesia: A Case Report
(case report)

Amit Gupta, MD

Resident – University of Massachusetts Medical School, Worcester, MA

Epidural Steroid Injection For Isolated Radicular Sensory Loss
(case report)

Houman Amirfarzan, MD

Resident - Tufts Medical Center, Boston, MA

Haloperidol Induced Torsades de Pointes
(case report)

Preeti Arora Gandhi, MD

Resident - Tufts Medical Center, Boston, MA

Lidocaine Ph Adjustment For Reducing Pain On Injection

Zayaruzny

Estimated Annual Numbers Of US Acute Care Hospital Patients At Risk For Venous Thromboembolism

Poster
